

Galway Preservation Society Monthly Meeting

June 6, 2016

31 members and 0 guests present

The meeting was called to order by Richard English at 7:15 pm after the annual members' picnic. The pledge of allegiance was recited and thanks were extended to those who brought food and refreshments to the picnic.

There were no objections to deferring the reading of the May **Secretary Minutes** to the September meeting. Linda Carpenter read the **Treasurer's Report**, for which a motion was approved to accept. Richard reported that two donations were received last month and expressed thanks for the donors' generosity.

Virginia Sawicki reported on GPS' participation in **Memorial Day** activities, where four members marched in the parade and several other members staffed a booth in Village Park at which \$10 worth of publications were sold. Mary Cuffe Perez announced the date of the annual **program planning** meeting and asked members to contact her for input on topics and potential speakers. Richard announced the date of the next **board meeting** and invited members to attend or present issues or topics to an officer or board member.

The meeting was adjourned at 7:25 pm, after which several public announcements were made. Members then transitioned into a game of "GPS Jeopardy" as the group activity.

Respectfully submitted,
Richard English for Martha Brandow
