## June GPS Update

By Bonnie Donnan and Virginia Sawicki

Our speaker at our May meeting was Dorothy King. She shared her family heritage and memories of Galway. New officers for the coming program year were elected. The slate: Virginia Sawicki, president, Bonnie Donnan, vice president, Martha Brandow, secretary, and Mary Lynn Kopper, Board of Trustees. Thanks to Phyllis Keeler for heading up the nominating committee and for her many, many, phone calls. We also thank Phyllis Ryan for her service on the Board. A great heaping helping of gratitude to Evelyn Hanna for her years of service as secretary, setting up the website, posting to the website, and help with the newsletter. A moment of silence was observed in honor of Adrien (Bud) Gaudreau. Bud was GPS treasurer for a number of years, served on the board of trustees, and was a member of the committee that revised our by-laws. A book was donated to the Galway Public Library in his memory.

The GPS members' picnic, and final meeting of the season, will be at the home of Ann and Ray David on Lake Road on June 6<sup>th</sup> at 6:00 p.m. Their home is 1 mile north of the intersection of Perth and Con-saul Roads. We are grateful for the hospitality of the Davids. We must have behaved well last year to be invited back. If you haven't already signed up, please give Carolyn Baxter a call at 882-6634 about what food item you wish to bring. Table service

and utensils will be provided. We will be holding our annual auction fundraiser at the picnic, so be considering an item to donate that you think someone would be pleased to own. The items will be available for preview with numbers assigned to each item. Numbers will be drawn to determine order of sale. Thanks to Carolyn Baxter and Carol Schweizer for coordinating the picnic.

The new PA system approved for purchase by the members at the May meeting has arrived, and it seems to work well. We will be using it at our meetings.

Welcome back to all our summer residents. You might like to take a trip to Galway Town Hall to see the display in the lobby about Donnandale Farm. This exhibit of many years of farming by the Donnan family will be in place through the summer. Check the hours of Town Hall if you wish to stop by to see it.

The picnic will be our last gathering until September 12<sup>th</sup>, the second Monday because of the Labor Day holiday. We don't meet in July or August. The next Board of Trustees meeting is Wednesday July 13<sup>th</sup> at Town Hall, with an alternate date of July 20<sup>th</sup>. The program committee has already met to plan for next season's speakers. We have been scouting prospects.

As the song says, "See You in September".

Any one know where this scene is?  
No prizes, just bragging rights
