## October GPS Update

By Bonnie Donnan

Our September 13<sup>th</sup> meeting started with a shared celebration of Michael Sawicki's 95<sup>th</sup> birthday. GERALYN De La Fleur baked the birthday cake. The program was "Inventors of the Capital District" by Don Rittner, Schenectady City and County Historian. We learned about many of Schenectady's inventors and world importance as a manufacturing center.

Dues for the 2010-2011 program year are due by October 15<sup>th</sup>. You can either pay at the October 4<sup>th</sup> meeting, or complete the form that was in the September newsletter and mail it in with your \$10 per household dues.

The October 4<sup>th</sup> meeting will be Ron Feulner speaking on Greenfield's Glass factory and Plank Road.

Two women who are long time friends of Galway Preservation Society would probably like some birthday cards. Mary Packer's birthday was late September, and Mildred Hathaway's will be early October. They have both completed their 98<sup>th</sup> year, and I hope neither will be offended by my revealing their chronological achievement. If you wish to send a card, bring it to the October meeting and we will send the cards on together in a package.

Bragging rights for the whole year if you know where this house is.
