October GPS Update

From Virginia Sawicki and Bonnie Donnan

We now are moving into the beautiful crisp days of autumn. The Sumac is already brilliant red, and fallen wild apples show the tooth marks of deer and much smaller critters. Blue Asters and wild grapes precede the explosion of color of the hardwoods. All this is Nature's end of year party before we dive into northeast style winter.

Our September program was a presentation by Mary Cuffe Perez on her project "What We Keep: Life Stories from Maplewood Manor." Lillian Bills Derby, a Maplewood resident and a past attendee of many GPS meetings, and the inspiration behind *What We Keep*, was also able to speak. It was good to see Lillian and members took advantage of a chance to chat. Mary and Lillian have a booklet of collected life stories published by The Village Press of Galway Central School.

The October 7th meeting will be

Daniel Weaver speaking on "The Life and Home of Clarissa Putman."

GPS dues of \$10 per household are due by October 15th. You may pay at the October 7th meeting or mail to Galway Preservation Society, P.O. Box 276, Galway, 12074.

The display in the lobby of Town Hall is being replaced this month. The new display will be family heirlooms from the Galway Seniors. If you have an item in the current display, bring any necessary packing materials to pick up your item October 7th starting at 6:30 before the meeting. If you are a member of both Galway Seniors and GPS, and have an item on display and wish it to remain, you may have it included.

GPS's next quarterly board of trustees meeting will be Wednesday October 16th. As always, any member is welcome to attend.
