

Let it snow!

Greater Galway Community Services Association (GGCSA)

Greater Galway Food Pantry

Post Office Box 31

Galway, New York 12074

We are a 501c3 organization

December 2021

Dear Galway Public Library,

Just a note to thank you for your continuous support of the Galway Food Pantry.

You may be assured that your donations throughout the past year were received gratefully, and utilized to answer the needs of the residents of the greater Galway School District, Towns of Providence, Charlton; Galway and Village of Galway, the areas we were established to serve.

It never fails to awe me how amazing our community is. The giving spirit of our neighbors, schools, local towns, churches, and community groups is deeply inspiring.

We have been blessed to see previous clients, who are now doing well, stop in to drop off donations. They tell us what a difference it made to them when they needed it and they now want to pay it forward. Please know that through your actions you have helped to make a difference in someone's life this past year.

I speak for all of us here at the pantry in wishing you and your volunteers a safe, happy and healthy new year.

Again, thank you for your generosity and for being wonderful neighbors.

Sincerely,

Karen English
